Gin with an italian touch.

Sensory characteristics: Prominent juniper notes, accompanied by a distinctive note of citrus fruits. This distinguishes this gin from Mazzetti from other gins. In addition, elderberry and rose blossoms can be tasted. By the multiple burn of the distillate, Mazzetti accentuates the many fine aromas of the Gin. If you want to taste a different gin, you should grab this "Italian." It is an excellent base for classic cocktails. But even experimenting bartenders will find with this gin a great basis for their creations.

Alcohol content: 42 % Vol.
